## LOCATION

Oakwood House is one of just two luxury new homes standing within a private gated setting just a short drive from the heart of the much admired village of Penn. Nearby Beaconsfield offers an extensive range of quality shops including two large supermarkets and a variety of specialist retailers. The historic and picturesque Old Town with its period buildings and cottages has a wide selection of individual shops and many fine restaurants.

Sporting amenities in the area include golf, tennis, squash, cricket and rugby clubs along with several health and fitness centres. There is racing at Windsor and Ascot and polo at Smith's Lawn, Windsor Great Park and The Royal Berkshire.

Oakwood House is well located for commuting with the option of High Wycombe or Beaconsfield stations, from where Chiltern Railways run services to London and Birmingham – the journey time to London from approximately 25 minutes. The M40 Junction 2 is about three miles away giving access to the M25. Heathrow, Luton and Gatwick airports are easily accessible via the M25.

## DESCRIPTION

Another impressive, traditionally constructed individual home built by the renowned local developer Nationcrest PLC, offering space and luxury throughout. The front door opens into a generous hallway with porcelain tiled flooring which runs through to the kitchen. Oak panelled doors open onto the reception rooms, including a well-proportioned study and dining room to the front; both with wood flooring, together with the sitting room which has an "Aegean Limestone" fireplace and glazed casement doors to the patio and garden beyond.

The superb kitchen/breakfast/family room is fitted with a quality range of units with gloss light grey and graphite fronts, with Siemens appliances and complimented by quartz stone worktops. Full width bi-fold doors from the family room open onto the patio and thoughtfully landscaped gardens. Off the kitchen is the utility/laundry room.

On the first floor the master bedroom has a beautifully appointed shower room, as does the guest bedroom while the additional three bedrooms are served by the stunning family bathroom.

## OUTSIDE

The properties are approached via electric gates leading to individual driveways. There is a detached double garage with electric roller doors. The gardens have been cleverly landscaped to provide an array of trees, shrubs and perennial flowers to maximise privacy while also giving a most enjoyable environment for outside entertaining. The wide stone terrace benefits from a south-westerly aspect, picking up the afternoon and evening sun.

## DIRECTIONS

From the Tim Russ & Company offices in Beaconsfield New Town take the Penn Road. Upon entering the village bear left into School Road and Hammersley Lane is the first on the left. Follow the lane for about half a mile and the two properties will be found on the right hand side, identified by the Nationcrest site board.
