

The White House · Gregories Road
Beaconsfield · Buckinghamshire · HP9 1HZ

NATIONCREST PLC

The White House is an individual house of great quality. It is traditionally constructed over three storeys in brick and block with concrete floors to reduce sound transmission. The spacious accommodation includes a magnificent fully fitted kitchen/family room, six bedrooms and four ensuites/bathrooms.

A PERFECT LOCATION

The town of Beaconsfield has an extensive range of quality shops including two large supermarkets and a variety of specialist retailers. The historic 'Old Town' with its period buildings and cottages offers a wide selection of traditional shops and restaurants.

Beaconsfield station is less than a mile from the house. Chiltern Railways run services to London and Birmingham - journey time to Marylebone is 30 minutes by fast train. The M40 junction 2 is about 2½ miles giving access to the M25. Heathrow, Luton and Gatwick airports are all easily accessible via the M25.

Sporting amenities in the area include a selection of golf, tennis, squash, cricket and rugby clubs together with numerous health and fitness clubs and centres.

There is racing at Windsor and Ascot and polo at Smith's Lawn, Windsor Great Park and The Royal Berkshire. Nearby theatres include The Swan at High Wycombe and The Theatre Royal at Windsor. There is a multiplex cinema in High Wycombe.

NATIONCREST PLC

Nationcrest PLC is a privately owned house building company with a very selective development programme in Surrey, Berkshire, Buckinghamshire and Hertfordshire. It has a record of excellence in house construction of over 40 years.

Each house is individually designed by architects and constructed to the highest quality and there are no standard house types. Every house is developed in sympathy with its local environmental characteristics. All construction is carefully carried out in traditional materials of brick, tile and stone by Nationcrest and specialist subcontractors.

Nationcrest always attaches a high priority to the standard of specification and finish internally, externally and in the detailed landscaping of the development. Mature trees are preserved where possible, and further trees are specifically planted to provide greater interest, privacy and screening.
